Learning a Useful Lesson

To use PEARLINE is a lesson that young and old should learn. Millions know it well and are happier because of the knowledge.

Every honest grocer knows well and will tell you that PEARLINE is the original, best and most popular Washing Compound. It saves time, labor, drudging, wear and tear, and is harmless to fabric and hands.

Beware Peddlers and some unscrupulous grocers are offering substitutes which they claim to be "just as good" or "the same as Pearline." IT'S FALSE—they are not, and besides are dangerous. PEARLINE is never peddled, but sold by all good grocers. 187 "Peddlers are a class from whom good people should keep away." JAMES PYLE, New York.
